

New Training Announcement

Pricing Quotations for Compensation Events Workshop

We are excited to announce the launch of our NEC training workshop - new in 2020.

Following our series of **highly successful workshops**, you and your commercial team can attend this course for a £1,000 fee.

About the Course

- Covers the pricing of risk and disruption within the compensation event procedure. The pricing of risk and disruption are key challenges to NEC users when assessing compensation events*
- Features practical exercises on the NEC compensation event procedure
- Ideal for those administering NEC construction projects
- 4 hour workshop
- Maximum 20 participants (we recommend numbers are limited to 10 people to allow active participation for everyone on the workshop)
- Kent-based venue or delivered at your chosen location

**Based on research conducted by GVE Commercial Solutions Ltd in May-September 2019: #RealNEC.*

Key Benefits

- Increases NEC knowledge
- Increases skills
- Contributes towards CPD
- Use as an introduction or refresher to compensation event pricing
- Suitable for all job and skill levels
- Excellent return on investment
- Team working opportunities

“Thank you to both you, and your team, for an excellent training session. The format was spot on and the interactive compensation event pricing exercise was the perfect platform to demonstrate the significant pit falls surrounding this particular function of the NEC.”

Workshop participant, November 2019
